Expert Highlights

- Chartered Certified Accountant.
- Proven as a credible expert witness under cross-examination.
- Specialises in cases relating to valuation and damages for major projects.
- Recognised by WWL in arbitration.
- Acted as expert witness for disputed sums of up to US\$50 billion.
- Fluent in English and Spanish and proficient in Portuguese, French and German.
- Regular speaker on project and dispute related issues.

Colin Johnson has over 30 years of experience including acting as a lender, equity investor, developer, and legal and financial adviser. He has been appointed as an [expert witness](#) on more than 50 occasions.

Colin's particular strength is his ability to meld together his considerable expertise and his experience in order to produce expert reports that contain both strong analysis and sound commercial judgment.

He is able to cut through to the core of an issue quickly, and to present his position in a way that is compelling and persuasive.

WWL Arbitration – Expert Witnesses 2022

Colin has given oral evidence and acted as an expert in matters of litigation and arbitration, ranging from investment treaty claims to commercial, contractual and construction disputes. He has supported clients on projects up to \$6bn value and disputed sums up to \$50 billion.

Colin uses his international experience in analysing, negotiating and managing major energy projects to determine full commercial impacts and their effect on valuations. He has worked in Europe, North America, Latin America, Africa, the Middle East, and Asia on behalf of national governments, large companies, and entrepreneurs.

Services

Forensic Accounting & Commercial Damages

Sectors

Buildings, Transportation
Infrastructure, Industrial &
Manufacturing, Power & Utilities,
Resources, Technology, Financial

Colin specialises in evaluating value and damages in relation to large project companies whether in investment treaty claims, contractual disputes and investigations. He has provided expert services across a wide range of sectors including [power](#), [oil and gas](#), infrastructure, agriculture, mining, construction, financial services, [manufacturing](#), real estate and telecoms.

Colin is a fellow of the Association of Chartered Certified Accountants, a member of the Energy Institute and holds a diploma in International Communication (degree equivalent) in Spanish. He is fluent in Spanish and has a working proficiency in Portuguese, French and some German as well as his native language, English.

Colin Johnson stands out as a key expert in valuation and quantum matters, impressing market commentators with his “authority and persuasiveness” in disputes.
