

Expert Highlights

- Widely experienced delay and quantum expert.
- Proven as a credible expert witness under cross-examination.
- Over 40 years of experience, principally in the energy and related sectors.
- Acts as an arbitrator.
- Dispute resolution experience ranging from negotiation and adjudication to litigation and arbitration

Bob Breeze is a Chartered Quantity Survey and Chartered Arbitrator with over 40 years of experience. He has been appointed as a delay and quantum expert on more than 100 occasions.

Bob has acted as an advocate and expert witness in litigation and arbitration proceedings for major international project with disputed values of up to US\$900 million. He is experienced across all forms of alternative dispute resolution and has varied experience as an arbitrator.

Bob has worked across construction and its associated industries, principally on projects within the energy sector. These include oil and gas, fabrication of offshore structures, petrochemical, shipbuilding, and power generation. He has been employed by owners, consultants, contractors and builders, and subcontractors and vendors throughout the world delivering all aspects of quantity surveying and delay analysis.

Bob specialises in the appraisal, forensic investigation and analysis of both extension of time and monetary claims. His experience ranges from pre-contract tendering, procurement, contract award, and cost control and management to post-contract administration, including extension of time and cost, damages, and delay assessment.

Bob Breeze is a fellow of the Royal Institution of Chartered Surveyors and the Chartered Institute of Arbitrators and a member of the London Court of International Arbitration.
