Financial Services, Healthcare and Life Sciences, Oil and Gas, Production and Manufacturing, Real Estate and Tourism, Technology, Media and Telecoms, Transportation Infrastructure

Drew has been recognized as a forensic accounting expert by the DC Superior Court, having provided trial testimony in cases involving misappropriation of assets and fraudulent accounting records. He has provided expert testimony in disputes up to US\$2.6 million and has assisted counsel in fraud investigations valued at US\$10 billion.

Drew has managed a variety of engagements, including fraud investigations, asset tracing, damages analyses and compliance assessments. He oversaw an audit team of 15 individuals as part of a foreclosure process review of a top-10 mortgage servicer.

Drew specializes in a wide range of forensic accounting matters and complex damage analyses. He has significant experience investigating fraudulent conduct in matters of misappropriation of assets, fraudulent misrepresentation, investment fraud, and corruption.

Drew holds a master's and bachelor's in accounting (with concentrations in forensic accounting and audit) and is a Certified Public Accountant and Certified Fraud Examiner. He is a member of the American Institute of Certified Public Accountants and the Association of Certified Fraud Examiners. He is a published co-author in Westlaw Journal on White-Collar Crime and has provided presentations and lectures on forensic accounting, including recently serving as a recurring guest lecturer at Wake Forest University.
