Delay & Technical; Forensic

Expert Highlights

- Chartered Accountant and fellow of the Institute of Chartered Accountants in England and Wales.
- Testified in cases with disputed values up to US\$1.5 billion.
- Proven as a credible witness under cross-examination, including concurrent evidence.
- Regularly appointed as the expert on matters in Asia, Australasia, Europe, Africa and the Middle East.
- Specialises in [forensic accounting](#) and the quantification of damages.
- Regularly recognised as a Global Elite Thought Leader by Who's Who Legal.

Jonathan Humphrey is a Chartered Accountant with over 25 years of experience in forensic accounting. He has been appointed as an expert more than 60 times in commercial and investment treaty cases, dealing with matters of damages and quantum.

Jonathan is a highly recommended expert. He has lots of experience before tribunals, and great forensic expertise which was pivotal to our client's case. He is excellent and precise, with good project management skills.

WWL Thought Leaders Global Elite – Arbitration Expert Witnesses 2023

Jonathan has acted as an expert witness in multiple forums, including international arbitration under ICC, ICSID, UNCITRAL, LCIA, SIAC, DIAC and HKIAC rules, court litigation and mediation. He has given oral evidence in commercial and investment treaty cases with disputed values of up to US\$1.5 billion and has also delivered concurrent evidence (hot-tubbing).

Infrastructure

Regional Experience

Africa, Asia, Europe, Middle East,
Oceania

Jonathan began his career at one of the big four accounting firms where he worked in their forensic accounting group for eight years before working for expert services firms for 12 years. He has experience in Europe, Africa, the Middle East, Asia and Australasia, working in a myriad of sectors, including construction, financial services, IT and telecoms, media, natural resources, oil and gas, power and utilities, pharmaceutical and retail.

Jonathan's expert commissions cover a range of issues including the quantification of lost profits, business valuations and the assessment of damages relating to class actions, professional negligence, insurance claims, business interruption and post-acquisition disputes. His forensic accounting expertise includes fraud, forensic, intellectual property and regulatory investigations.

Jonathan holds a degree in economics and is a fellow of the Institute of Chartered Accountants in England and Wales. He is regularly recognised by Who's Who Legal for his experience in the quantum of damages, arbitration, litigation, construction and insurance matters.

Jonathan Humphrey is "extremely dedicated and able to turn around quality reports in a very short time frame", say sources, who add that "he is able to explain complex concepts in simple and clear terms".
