Americas

Julie Knox is a forensic accountant and commercial damages consultant with more than 25 years of experience. She has been appointed as an expert on numerous occasions.

Julie has testified in cases before the United States Federal Court, California Superior Court and in domestic and international arbitrations. She has acted as an expert for disputes regarding commercial damages and valuation, intellectual property, and forensic accounting and investigations across financial, technology, sports and entertainment, and industrial sectors.

Julie has consulted on financial reporting matters and business operations and has conducted financial statement audits of companies and government agencies. She has performed forensic accounting analysis, funds tracing, and financial reporting analysis on behalf of companies, boards of directors, and special committees.

Julie provides analysis and expert opinion regarding lost profits, unjust enrichment, reasonable royalties, and restitution resulting from breach of contract, breach of fiduciary duty, anti-trust, unfair competition, intellectual property infringement, trade secret misappropriation, and other allegations.

Julie is a Chartered Financial Analyst, a Certified Public Accountant (California and Virginia) and is Certified in Financial Forensics. She has presented to the AICPA, CalCPA, various university groups and law firms addressing accounting and economic damages issues, intellectual property valuation and damages, and ITC section 337 investigations.
