Prior to the firm's being acquired by HKA, he was co-founder and co-CEO of the Kenrich Group LLC and is the "Ken" in Kenrich.

Ken has worked on client projects in Asia, Europe, North America and South America. He has assisted clients from a variety of sectors, including biotechnology, buildings, defense, industrial, infrastructure, manufacturing, oil and gas, power and utilities, technology, and telecommunications, with significant experience in the nuclear energy and associated regulated industries.

Ken has analyzed accounting and economic damages-related issues in various types of disputes, including breach of contract, terminations, fraud investigations, patent infringement, and trade secret misappropriations. His economic damages work has addressed increased costs, lost profits, price erosion, cost of capital, and lost value, including the valuation of lost royalties. Ken has also performed detailed forensic analyses and historical cost and financial statement reconstructions and has advised clients on evaluating the economics related to significant alternative investments.

Ken holds a BS in Business Administration and is a Certified Public Accountant (CPA), a Certified Valuation Analyst (CVA), and an Associate Certified Fraud Examiner. He is a member of the American Institute of Certified Public Accountants (AICPA), the National Association of Certified Valuators and Analysts (NACVA), the Association of Certified Fraud Examiners (ACFE), the Greater Washington Society of Public Accountants, and the Virginia Society of Certified Public Accountants.
