

Expert Highlights

- 20 years of experience investigating business disputes
- Hugely experienced in electric utility and commercial damages industries
- Certified Fraud Examiner

Krista Haley specializes in the investigation and resolution of business disputes, primarily related to the electric utility and commercial damages industries.

Krista has analyzed accounting and economic issues in various types of disputes, including analyses of costs resulting from breach of contracts, analysis of increased costs, lost profits calculations and productivity analysis.

Krista has provided accounting, economic and financial consulting and litigation support for multiple power plant projects, steel facilities, pharmaceutical companies, highway contractors, natural gas distributor, and other matters. She has assisted in the preparation of expert reports and subsequent expert testimony in federal courts and arbitrations.

Krista Haley has consulted for Fortune 500 companies and others including electric utilities, construction contractors, government contractors, manufacturers, pharmaceutical companies, financial institutions and others.
