Speaker's Profiles

HUSAM GAWISH
Partner & Qatar Country Manager

Husam Gawish is HKA's Country Manager in Qatar and the Partner responsible for Business Development in the Middle East & Africa Region. He is also responsible for the overall management and delivery of HKA's Operations in Qatar. Husam is a Chartered Engineer and a member of the Institution of Civil Engineers in the UK.

Husam has 20 years of diverse engineering, commercial, claims, project management and business development & marketing experience gained through working on a wide range of major projects in the buildings, infrastructure, industrial process and power generation sectors throughout the UK, Africa, Middle East and Asia.

Resident in the GCC Region since 2008, Husam has a strong technical background and extensive commercial and contractual experience, backed by bilingual English and Arabic skills. During his career to date, Husam has been involved in several landmark projects around the world, including the Dubai Metro and Sheikh Zayed Bridge in the UAE; the new Hamad International Airport in Qatar; the Songsu Bridge in South Korea; the Bangabandhu (Jamuna) Bridge in Bangladesh; the Landbridge Railway Project in Saudi Arabia and the Millennium Dome (now O2 Arena) in London, UK.

HKA is the new name for the Construction Claims Group of Hill International and associated subsidiaries following its sale and de-merger from Hill International, Inc.
